**Egram Project Information Access**

**Notice to ALL Bidders: The County now provides project information on its website called “eGram”. To receive email notification of addendums and other updates, Bidders need to log on the website via their ID and password. A bidder, after logging in and downloading project files, is automatically added to the project’s plan holders list and the email notification list.**

**This addendum for this project will not be sent out certified mail unless a bidder requests a certified mail addendum by calling 612-348-3181.**

**NOTICE TO ALL BIDDERS:**

The County is testing its new eBidVault system on this project and is looking for two potential bidders who would be willing to submit both a paper bid plus an electronic bid on this project. Please send Jerry G. Mortenson ([jerry.mortenson@co.hennepin.mn.us](mailto:jerry.mortenson@co.hennepin.mn.us)) an email indicating your interest in being selected. The following requirements will apply to the electronic bidding on this project:

- 1) The paper (hard copy) bid submittal governs.
- 2) The electronic bid shall follow the requirements as stated in the County “Guide to Bidding County Road and Bridge Projects” found on the County’s website under ‘Business’, ‘Contract Opportunities’, ‘Road and Bridge Project Documentation Access’, then ‘Hennepin County Guide to Bidding’.
- 3) The Contractor shall meet with the County’s vendor (RtVision) during bidding to discuss how the system works and to resolve any problems encountered during the bid submittal process.
- 4) Provide feedback to the Transportation Department and RtVision on how the system worked and what presented problems/challenges in using the system.
- 5) Only two bidders will be provided access.

**Special Provisions**

1. On page 15-S, in section S-13.3, delete the sentence: “Upon completion of the Technical Proposal evaluation process, The County will notify each bidder via e-mail no later than August 3, 2011, if they received a Pass or Fail score on the Technical Proposal.”, and replace with: “Upon completion of the Technical Proposal evaluation process, the County will notify each bidder via e-mail no later than August 12, 2011, if they received a Pass or Fail finding on the Technical Proposal.”
2. Bidders receiving a Pass finding on the Technical Proposal will be considered pre-qualified to bid on this project, as stated in the Notice to Bidders on the Cover of Proposal.
